You can get the **free Welcome Card directly from your accommodation provider**. You will find a list of partner companies at [www.innsbruck.info/welcome](http://www.innsbruck.info/welcome). The Welcome Card is linked to the guest registration in your accommodation. With the "Welcome Card/Welcome Card plus", Innsbruck Tourismus has created an offer that is available to all accommodation providers in the region. It is their decision, however, whether to pass this offer on to their guests and Innsbruck Tourismus has no power to intervene. If you stay 3 nights or more, you will automatically receive the free Welcome Card plus from partner companies. **The Welcome Card/Welcome Card plus cannot be purchased; nor can it be issued by Tourist Information Offices.**

**CAN I OBTAIN THE WELCOME CARD BEFORE MY HOLIDAY? CAN I STILL USE THE CARD ON MY ARRIVAL / DEPARTURE DAYS?**  
It's possible to obtain the Welcome Card before you arrive. To do so, you need to contact your accommodation provider in advance. The card is valid on both the day of arrival and departure. **The Welcome Card unlimited** is not free and **has to be purchased**, and **you must have a valid Welcome Card/Welcome Card plus** to be able to buy it. On purchase, the Welcome Card unlimited replaces your Welcome Card/Welcome Card plus, the services of your previous card are immediately available to you, and all previously used services are transferred to the Welcome Card unlimited and cannot be used again, with the exception of services with no usage restrictions.
